Year 5 Summer 2 Curriculum Overview
School Value— Responsibility

Key Information

Text focus: Cogheart by Peter Bunzl

Writing Genres:

Quest

Instructions

Maths: Effective Maths

Useful Apps:

Timestable Rockstars
Class Dojo
Google Classroom

PE:

All classes: Tuesday and Wednesday

Reading—please return reading records and books to school each day.

Science—Living Things and their Habitats

Subject areas covered: Science, PSHE

In Science, we will build on the children's learning from previous years regarding animals and their habitats.

As **Scientists** the children will recognise that all living things can be grouped in a variety of ways. We will explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment.
We will also recognise that environments can change and that this can sometimes pose dangers to living things.

Within the Year 5 learning, children will describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird. We will also describe the life process of reproduction in some plants and animals.

DT

Bread Making

Subject areas covered: Design and Technology

As **Designers,** we will develop our own design criteria for our product, which is aimed at a particular group or individual.

We will learn how bread products are an important part of a balanced diet and can be eaten in different ways.

We will use annotated sketches to communicate our ideas for our final product.

We will be able to evaluate our finished product.

William Morris

Subject areas covered: Art, History, Geography

As **artists,** we will develop an understanding of printing and patterns.

We will take inspiration from the famous artist, William Morris, and plan to imitate a piece of his work in order to independently create our own pieces.

Once designed, we will create our own wallpaper using printing techniques and repeated patterns.

PSHE—Changing Me

Subject areas covered: PSHE—Jigsaw

As **Citizens,** we will explore different areas of the theme: 'Changing Me'. This will include:

- Exploring self image and body image
- Puberty for Boys
- Puberty for Girls
- Conception
- Growing up and responsibilities
