Theme: Victorians

Subject areas covered: History, PSHE, Art

As historians, we will be continuing to develop our knowledge of British History. We will explore what life was like for Victorian children and use a range of sources to identify similarities and differences within the period and now. We will explore the class divide during the Victorian era and how lives were different for the wealthy and the poor. We will develop an understanding of Dr Barnardo and his work during this time. As citizens, we will also reflect on the changes made during this time for children and how this has impacted our lives today. This will include looking at legislation that was created in order to improve the quality of life for children.

Textiles

Subject areas covered: Design and Technology

As **Designers,** we will develop our own design criteria for our product, which is aimed at a particular group or individual.
We will build on our sewing skills from Year 4 and incorporate a fastening into our product. We will use annotated sketches to communicate our ideas for our final product.

We will be able to evaluate our finished product.

Easter

Subject areas covered: RE

In **RE**, we will think about what Jesus' death and resurrection means to Christians.
We will look at different sources of evidence to explore how artists show the themes of Jesus' death and resurrection.
We will think about how Christians around the world remember Easter, including looking at symbols and their meaning.
We will compare rituals and artefacts in Spring festivals; for example, how does the Jewish festival of Pesach fit with the story of Easter - the plagues of Egypt, Passover and the journey of the Jewish people.

Healthy Me

Subject areas covered: PSHE—Jigsaw

As **Citizens,** we will explore different areas of ''Healthy Me".

This will include:

Identifying the health risks associated with smoking and alcohol abuse. Learn basic first aid, including how to put someone into the recovery position The role of food associated with healthy eating, while becoming aware of the potential risk of eating disorders.
