

Year 4 Summer 1 Curriculum Overview

School Value: Kindness

Theme: Exploring America

Subject areas covered: Geography.

As geographers we will discover and be able to identify the countries of North America. We will explore key facts about the Rocky Mountain Range and also learn about the effects of the Mount St. Helens' eruption. The children will compare the many different landscapes of the US states and compare New York with where they live in East Yorkshire.

Key Information

Text focus: Firework Maker's Daughter by Philip Pullman

Writing Genres: Conquer the monster narrative

Maths: Effective Maths

Useful APPS:

Times table rock stars

PE: Monday- Tiger's Trust

Thursday- Gymnastics

Reading books in every day.

Homework: in by Wednesdays, given out on Fridays.

Subject areas covered: Art, Science and RE

As artists, we will be looking at Hokusai's work on the '36 Views of Mt Fuji', focusing on 'The Great Wave Off Kanagawa'. We will analyse the original work before recreating our own version using watercolours and other mixed medias.

As theologians we will be exploring our world and the different creation stories, including the scientific explanation for the world's creation and religious creation stories.

Theme: Animals Including Humans

Subject areas covered: Science and Computing.

As scientists, we will explore the different types of teeth humans have, how they are used when eating, and the relationships between different types of teeth and the diets of the animals who have them.

We will also investigate the human digestive system, its different components, and explore food chains by identifying producers, prey and predators.

As technicians, we will explore how computers are used to represent data and learn how to populate information on spreadsheets.
